Note: To meet state articulation requirements, transfer students must take the following courses: Science: must be a laboratory science; Math: must be MAT* E137 or higher; History must be HIS* E201. Transfer students must have a 2.7 GPA and pass the state-mandated skills examination (PRAXIS I) before they can be admitted into a university education program.

Note: Fingerprinting and a background criminal check are required for any job working with children.

State approved for the CT Early Childhood Teacher Credential (ECTC)

¹ MAT* E075 or MAT* E095 not acceptable.

² All electives should be based on student's career objectives. It is recommended that selection of electives be discussed with the program advisors.

Note: For degree completion the student must complete the Computer Literacy Requirement.
