National Early Childhood Education Workforce Convening *Request for Workshop Proposal Guidelines*

The T.E.A.C.H. Early Childhood® National Center at Child Care Services Association is seeking workshop proposals of 75 minutes in length that address the many strategies and supports needed to advance the professional development, compensation and retention of the early education workforce. We are also interested in workshops that address successful strategies toward equity of access to education and compensation for the workforce. Workshop content should reflect and be supported by evidence or research and provide participants with information, resources and strategies that will make a positive difference in their professional practice.

RFP SUBMISSION

Submit your proposal by **midnight September 30, 2024**.

Questions about submitting your form? Email us at info@teachecnationalcenter.org.

RFP CONSIDERATIONS

When completing the RFP, presenters should consider if:

- The topic is relevant to professionals working on behalf of state, local and/or national early childhood systems.
- The approach is consistent with adult learning principles, engages the audience and promotes implementation of practice.
- The presentation is not a promotion or endorsement of a commercial product or for-profit program.

Consider the following content areas that support the work of our audience:

- Advocacy
- Public Awareness
- Higher Education Access
- Diversity, Equity and Inclusion
- Emergent Leadership
- Compensation Supports
- Financing
- T.E.A.C.H. and WAGE\$ Program Supports
- Workforce Development (QRIS, Registries, CCDBG Administrator)

PROPOSAL ACCEPTANCE

Presenters will be notified of acceptance by mid-December.

In appreciation of presenter contributions, *up to two presenters per session will receive a **discounted registration***. Registration includes all workshops, keynote and plenary sessions, a reception, and breakfast, lunch and an afternoon snack break each day.

All Presenters must register for the convening by **February 7, 2025**.

We hope you will consider submitting a proposal.

This event would not be possible without the commitment from our partners who take time to support the professional development needs of our T.E.A.C.H. and WAGE\$ staff and other professionals who work on early childhood workforce issues.
